Emerging Leader 2016 Application

MOST is soliciting applications from individuals to participate in the second cohort of the new Emerging Leaders program. Emerging Leaders is designed to support, elevate, and activate the dedicated, creative people who work with older youth (13 to 23) in projects, programs, and initiatives that occur outside of the school day and year in Baltimore City. This program is made possible by a generous grant from the Open Society Institute - Baltimore.

The survey must be completed before 11:45 p.m. on Friday October 23, 2015. You can not save this survey and return; please complete the survey in one sitting. The questions are available for download at www.mdoutofschooltime.org/initiatives/emerging_leaders. If you have any trouble with the survey form, please email info@mdoutofschooltime.org.
